

Nationwide Children's Hospital Nurses **NEED YOUR SUPPORT**

We rely on them. They should be able to rely on fair treatment.

THEY DESERVE BETTER.

NCH Nurses need to know that the community is behind them in their fight for:

- ⊕ **Fair, competitive pay.**
- ⊕ **Full staff to ensure patient safety.**
- ⊕ **Getting both sick pay AND vacation time to prioritize patient safety.**
- ⊕ **Safety issues addressed at the Behavioral Health Pavilion to ensure nurses are protected.**
- ⊕ **Affordable insurance premiums.**
- ⊕ **Fair and equal treatment on the job.**

**NCH nurses need to know that
LABOR STANDS WITH THEM
in their efforts to unionize.**

FROM THE NURSES:

"Nurses are the heart and soul of Nationwide Children's Hospital. Columbus families know that the quality of care their child will receive at NCH is unmatched in central Ohio - Nationwide Children's Hospital should put that same care into how they treat their nurses."

Marian Ruff
Neonatal Intensive Care Unit

"As pediatric nurses, our first priority is making sure the kids we care for receive the best care to create the best outcomes. We accomplish this with quality staff, safe patient ratios, access to the right resources and training, and a workplace that values our voices. That comes from supporting and protecting all of us. **AFSCME is the union that can do that.**"

Kaitlyn Massey Lester
Clinical Research
